In re Application of ADAEDA ET AL.

Appl. No.: 09/778,338

Filed: February 07, 2001

For: MULTIPOLAR MAGNET TYPE GENERATOR
FOR INTERNAL COMBUSTION ENGINES

Decision on Petition under
37 CFR 1.181

JUL 22 2004

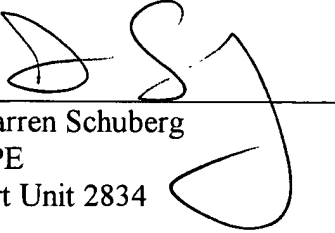

The purpose of this communication is to inform you that the finality of the above identified application is being withdrawn.

The finality is being withdrawn to permit reopening of prosecution.

Applicants' petition, originally filed on 3/26/03, is **granted**.

As far as applicants' subsequent requests for clarification and supervisory review of the decisions on the petition previously mailed on 8/8/03 and 8/14/03, the following is found: Applicants requested either reopening of prosecution or the filing of a new examiner's answer which does not utilize new grounds of rejection. As stated above, prosecution is being reopened, per applicants' request.

The application is being forwarded to the examiner for action.
